## **Reasons**

### **Background**

- 3. Pursuant to section 58 of the Act, on 20 July 2018 the Cyprus Community of the Northern Territory Inc. lodged an application for the grant of a special licence to permit the sale of liquor to patrons attending an event known as the Cyprus Wine Festival. It anticipated that approximately 500 people would attend the event.
- 4. The applicant is proposing to sell traditional Cypriot beer, wine, port and a range of spirits at the event. Cypriot food is to be provided by food stalls and the entertainment proposed is amplified music and traditional dance groups.

### **Consultation**

- 5. The Department of Health, Northern Territory Police and Northern Territory Fire and Rescue Service were invited to provide comment on the application and no adverse comments were received. Northern Territory Fire and Rescue Service did request that that certain fire extinguishers be provided at the cooking areas and the applicant agreed to comply with that requirement.
- 6. Special licences have been issued to the applicant on a number of previous occasions including for a similar event in 2017. There is no record of any compliance issues in respect of previous licences issued to the applicant.

### **Assessment of the Application**

- 7. As previously noted, this is an application for a special licence under section 58 of the Act. That section is within Part VI of the Act. There are no specific criteria prescribed within the Act for consideration of an application for a special licence. Special licences exist under Part VI of the Act and are therefore not part of the definition of "licence" pursuant to section 4 of the Act, namely "a licence issued under Part III" of the Act.

8. As a result, it has previously been determined by this Commission that an application for a special licence is not a licence with respect to which I am bound to apply the public interest and community impact test as provided for under section 6 of the Act.
9. The Commission has previously noted however that pursuant to section 3(3) of the Act; it is clear that when “exercising a power or performing a function under (the Act) (the Commission) must have regard to the objects of (the Act) and must exercise the power and perform the function in a way that is consistent with those objects”.
10. Section 3 of the Act identifies the “Objects” as follows:
  - (1) The primary object of this Act is to regulate the sale, provision, promotion and consumption of liquor:
    - (a) so as to minimise the harm associated with the consumption of liquor; and
    - (b) in a way that takes into account the public interest in the sale, provision, promotion and consumption of liquor.
  - (2) The further objects of this Act are:
    - (a) to protect and enhance community amenity, social harmony and wellbeing through the responsible sale, provision, promotion and consumption of liquor;
    - (b) to regulate the sale of liquor in a way that contributes to the responsible development of the liquor and associated industries in the Territory; and
    - (c) to facilitate a diversity of licensed premises and associated services for the benefit of the community.”
11. As I have been delegated the authority to make this decision, I too am bound by these objects and they have been considered carefully by me when determining this application.
12. The applicant has a proven record of conducting similar events in the past. There have been no adverse comments from stakeholders in relation to the application.
13. It is as a result of the matters outlined above that I am, on balance, satisfied that the objects of the Act have been sufficiently addressed and for the reasons outlined above I have decided to grant the special licence on the conditions specified in paragraphs 1 and 2.

### **Notice of Rights:**

14. Section 120ZA of the Act provides that a reviewable decision is a Commission decision that is specified in the Schedule to the Act. A decision to issue a special licence subject to condition pursuant to section 59 of the Act is specified in the Schedule and is a reviewable decision. I am exercising the power to make a Commission decision pursuant to the delegation made to me by the Commission.

15. Section 120ZC of the Act provides that a person affected by this decision may seek a review before the Northern Territory Civil and Administrative Tribunal. Any application for review of this decision must be lodged within 28 days of the date of this decision.
16. For the purpose of this decision, and in accordance with section 120ZB(1)(b) and (c) of the Act, the affected person is the applicant.
