5.	22/06/2019 8:14:33 PM	Paul Kirkby	Zachary Rolfe	Lying in the dirt pissed! Doing a fucking good impression	6391
6.	3/09/2019 11:49:36AM	Zachary Rolfe	Paul Kirkby	I'm putting in for the TRG spot again, 90% chance I won't get it. They're prioritising applicants with bush time, all other applicants (3 others) have bush time.	6396

				But I gotta put the paperwork in anyway	
7.	3/09/2019 11:51:03AM	Paul Kirkby	Zachary Rolfe	True How does the bush time put your application ahead? It doesn't! It's just an arbitrary decision made by the bosses	6396
8.	3/09/2019 11:52:06AM	Zachary Rolfe	Paul Kirkby	Haha I know ey. They're fucking idiots. Prioritising lads that go out bush so they can be lazy and do no work	6396
9.	3/09/2019 11:55:01AM	Paul Kirkby	Zachary Rolfe	There's probably two bush places up north that show you're keen if you apply for them. They seem absolute shit holes and you get worked to death. Apply for them and maybe the bush stint would something	6396
10.	3/09/2019 12:04:47PM	Paul Kirkby	Zachary Rolfe	Sorry about the stress caused by losing my shit the other night. Stress you didn't need. You sorted it well. I'd just had enough. He was the second person to press my button that night.	6399
11.	3/09/2019 12:06:09PM	Zachary Rolfe	Paul Kirkby	Bro there was literally no stress about it. I'm all for that shit, I've done the same thing to you more then once before. I'm always ready to make my camera face the other way and be a dramatic cunt for the film Haha	6399
12.	3/09/2019 12:06:40PM	Paul Kirkby	Zachary Rolfe	And the Oscar goes to ...	6399
13.	3/09/2019 12:06:47PM	Zachary Rolfe	Paul Kirkby	Haha	6399

14.	22/09/2019 4:22:01PM	Paul Kirkby	Zachary Rolfe	Problem with your application?	6402
15.	22/09/2019 4:23:55PM	Zachary Rolfe	Paul Kirkby	Nah application was fine, except that dashy wrote a stupid comment and vicary didn't fill out her bit at all. But they reckon that the other applicants have "longer and more diverse careers" then me. And recommend I go out bush for 12 months haha Fucking joke	
16.	22/09/2019 4:26:53PM	Paul Kirkby	Zachary Rolfe	That's their standard line now. Everyone knows people go out bush cause they're fucking lazy. Maybe that's who they're looking for now. The order of preference now is blacks, chicks, gays and lazy fucks – then Zac	6402
17.	22/09/2019 4:28:49PM	Paul Kirkby	Zachary Rolfe	Who recommended you go out bush? Vicary / Dash or the TRG panel?	6403
18.	22/09/2019 4:29:31PM	Zachary Rolfe	Paul Kirkby	I know ey, I don't want to get to trg bad enough to waste 12 months of my life out bush doing nothing. I'm definitely last on the list haha The Police selection panel, I called and asked for advice to improve my app and they said apps fine but go bush	6303
19.	22/09/2019 4:43:42PM	Paul Kirkby	Zachary Rolfe	I went to Nigel Bennett's yesterday for coffee and he was saying the same thing. Bush experience will trump everything else. Amazing. I get to read applications that guys have written when trying to get out of Alice and the shit they put in there. Imagine being in Alice Springs attending one job a day and spending the rest of the shift writing all about that job to the bosses. The next day you spend all day driving the cage to the workshop and then go shopping while the cage is fixed. When the cage is fixed you drive it back to the station and	6403

				go home. Then due to that being picked above everyone else for any job you apply for!	
20.	22/09/2019 5:09:45PM	Zachary Rolfe	Paul Kirkby	I know ey haha fuck man what do you do. And again the cops that do nothing can never get in trouble. Wild wild times. How's the shoulder feeling? I got court tomorrow then evening shift are you still off work for a while ?	6403
21.	17/10/2019 9:33:13AM	Paul Kirkby	Zachary Rolfe	Well fuck me. I'm having to answer more questions about an incident over a year ago. Some turd claimed I knocked him off his push bike with 301 and then roughed him up. only person to get roughed up was me as I got dragged on my face as he was trying to run away. All seems well but they now have a hard-on over the fact I used 301 to try and block him in. They're now asking a fourth lot of questions. I think they pick someone and then just pick on them. Finding my breaking point maybe.	6406
22.	17/10/2019 9:34:57AM	Zachary Rolfe	Paul Kirkby	Over a year ago?? Fuck they're gay cunts. Yeah they just find a name and go for you ey over and over. Fuck em, just let them waste time and then if they ever have enough evidence just stress leave until they let it go.. seems what everyone else does	6406
