Dear Director,

As the peak consumer organisation for Territorians with disability, Integrated disAbility Action Inc (IdA) endorses all reforms to the *Anti-Discrimination Act 1992*, as outlined in the Discussion Paper (2017).

It is IdA's belief that through these reforms people with disability will continue to see significant improvements in facilities and services enabling them to achieve equality of life in the community and society in general.

Yours faithfully,

Sara Braines-Mead  
 Executive Officer  
 Integrated disAbility Action Inc
