50	15/02/2019 1:40:08PM	Zachary Rolfe	R	Hey just got the email literally just then.. didn't get the position, such a joke. Out of the myself and the last 3 people to get TRG positions(since I've been qualified) I'm the only one that passed selection with enough points to be "encouraged to apply" they all just passed so got "eligible to apply" yet I haven't got the position. Fuckinfuck haha	6751
51	17/02/2019 7:57:05AM	Zachary Rolfe	76...984	Bro, no love for me from TRG	7981
52	17/02/2019 8:17:43PM	76...984	Zachary Rolfe	Lots of love on the floor mate! You've just been fucked over by selections and the shit process. Don't let it get you down mate, you'll get a job in there this year!	7981

53	20/02/2019 12:43:31PM	Zachary Rolfe	R	Hope you're netball game was good last night. I'm just about to jump on the plane from Alice, so so stoked. Works crazy, it's just funny now how bad the station is going, they're trying to change this tactical response team I'm on into *drum roll* full time traffic/bush station relief hahaha the two worst things. Ah well life's a roller coaster.	6774
54	21/02/2019 7:39:33PM	Zachary Rolfe	R	I'm getting a bit high and messing around with the guitar	6776
55	23/02/2019 10:14:35AM	Zachary Rolfe	CV	I'll be back tomorrow bro got you some pain things	6443
56	27/02/2019 3:01:30PM	Zachary Rolfe	12...772	Just searching for a dude who stole a Ute with a loaded rifle in it man... still looking. Big desert out here to hide in but. Still fun tho ey. What you up to? Lovin life?	7956
58	27/02/2019 8:02:38PM	Zachary Rolfe	Mark Sykes	Hurry up and come down bro. I literally do whatever I want, even just started wearing a T-shirt to work	10141
60	27/02/2019 8:03:31PM	Zachary Rolfe	Mark Sykes	Take undercover vehicles out haha	10140
64	27/02/2019 9:39:59PM	Zachary Rolfe	K	Must be hard at night	6556
65	28/02/2019 12:00:25AM	Zachary Rolfe	12...772	Yeah fuck, how's the knee coming? I'm in a semi tac team down in Alice, coz TRG is too far away to be of any use. But I've passed trg selection just waiting for a spot to open up ey. So I just do general duties and whenever something "high risk" is on just do our own thing	7956
69	28/02/2019 3:14:53AM	Zachary Rolfe	12...772	Oh yeah I thought you were in qld for some reason. Fuck I'm jealous, Perth is sick. Alice springs sucks haha The good thing is it's like the Wild West and fuck all rules in the job really... but it's a shit hole. Good to start here coz of the volume of work but will be good to leave	7967

70	28/02/2019 3:17:29AM	12...772	Zachary Rolfe	Yeah man it looks it from those photos haha. Been meaning to catch up with D [redacted] and b [redacted]. Yeah you should be able to transfer over pretty easily especially if your in TRG	7967
71	28/02/2019 3:19:24AM	Zachary Rolfe	12...772	Yeah that's the plan hey,I get all antsy to leave but really there's no rush, it'll happen eventually. Sykes will finish his cop school in Darwin soon and hopefully come down and hopefully carter gets into cop school in October. Then we can all one day be friends again haha it'd be so sick to all work together over in Perth	7967
72	28/02/2019 3:21:42AM	12...772	Zachary Rolfe	Mate everyone's gonna be a cop haha. Fuck yeah Sykes will kill it. Yeah dude may aswell get some cowboy shit done there before coming to a city	7967
74	28/02/2019 8:25:48AM	Zachary Rolfe	Mark Sykes	Nah not yet, looks like he went to a community. Laying low. Would have been sick to grab him, we were in a mad pursuit with him out bush but the superintendent terminated it coz he was "inside our cordon"..... in the middle of nowhere. She's an idiot	10140
79	1/03/2019 10:52:09AM	Zachary Rolfe	R	That's mad :) Yeah fair enough hey, guess you'll actually have to study now hey? I have no clue about uni as I've said, I feel like if you want to do well you gotta put a load of effort in. I know I would haha. My weeks been good, when we get high risk jobs I get to really do my own thing, got the chopper ride and took the superintendents car out coz it's not a marked police car and got in the maddest pursuit through the desert with it... it's not built for it the poor car it'll never be the same but I had a mad time haha. I'm on days off now, poor simmo got spat in his face again so he's hell off it. He finished up this morning I'll hang out with him a bit this weekend and catch up with the crew for a Sunday bbq somewhere which will be real good.	6796

80	1/03/2019 6:38:13PM	Zachary Rolfe	[Family Member A]	Hey [Family Member A] I'm good right? And strong? And sometimes kind? I need some wisdom. Feel like instead of knowing everything's gonna be sweet I'm waiting for the next shitty thing to happen, which is fine I know coz everything takes time but I feel like i put more effort in then most to get to where I feel I deserve but I get shat on a bit more. I just don't want all this shit to build up until I do something dumb, full why I don't go out to the pubs here coz I know if some scum pushes me I'll go too far and get in trouble	7645
81	2/03/2019 10:53:21AM	Mitch Hansen	Zachary Rolfe	Did anyone get that car and gun back?	10138
82	2/03/2019 10:54:31 M	Zachary Rolfe	Mitch Hansen	Haven't heard ey. Simmo got some info off a kid about two POI's bout 17-20 years old, got their names and they have a massive history of stealing cars. I sent the details to the bosses, OIC/Super/Potts/intel and got no reply hahaha	10138
83	2/03/2019 10:55:09AM	Mitch Hansen	Zachary Rolfe	Hahaha useless ay	10138
84	2/03/2019 10:55:35AM	Zachary Rolfe	Mitch Hansen	Yeah man	10137
89	2/03/2019 9:10:01PM	Zachary Rolfe	GS	Yeah all sweet bro if you see them just kick the shit out them and take pics and that'll do the trick haha	10136
90	9/03/2019 4:41:34PM	Zachary Rolfe	DC	Hey all sweet down there? The losers up here are being nice to each other while we're around. I'm hot spotting off my police iPad so will have reception a fair bit.	7616

91	9/03/2019 5:09:49PM	Zachary Rolfe	R	<p>Cool book, if you ever get a free minute. Maybe in a couple years haha.</p> <p>I knocked off at 1am this morning and was back at work at 7am to get on a plane to Borroloola, they're rioting again. Just having a quick coffee before it gets dark and everyone starts playing. Will be out here until at least Wednesday but it's pretty much just a trip with the boys so it's good, my boss and I and some trg boys.</p> <p>Anyway.. hey :)</p> <p>Attachments:</p>  <p>Size: 2128217 File name: IMG_0454.HEIC IMG_0454.HEIC</p>	
92	9/03/2019 2:16:35PM	Zachary Rolfe	[Family Member A]	<p>...Out Borroloola now, nothing really going on. Just hanging out for a few days earning heaps of money</p>	7653
93	10/03/2019 1:18:05PM	Zachary Rolfe	[Family Member A]	<p>It's actually good up here, this is the community we smashed last time we came up so they're behaving nicely now that we're here. So big sleeps, lots of money and also got time to workout and read so I'm happy.</p> <p>reading that book, gonna start eating breakfast again. Try it out, looks like the physiological stress I'm putting on my body by fasting(which can be good) is a bit too much at the moment with the bad sleep pattern, making me a sook.</p> <p>So will eat breaky, and gonna try to get some Serotonin vitamins from somewhere when I'm back in Alice x</p>	7654

94	10/03/2019 12:48:00PM	Zachary Rolfe	BF	I'm out at Borroloola (a random community on the coast) coz they're rioting, but we came up last time they did this and smashed the whole community so this time as soon as we arrived they started behaving. Which is cool so I'm just getting heaps of sleep and reading and working out haha. Back to Alice on Wednesday. Yeah missed out on Darwin again, I'm just getting done over in the paperwork side of applications but that's all good, next time	6674
95	10/03/2019 7:00:34PM	Zachary Rolfe	DC	Yeah too hot for the poor dags. Yeah sick plan, devo I miss them. We smashed this town last time so they're all behaving so I'm just getting some mad RnR haha	7618

106	20/03/2019 9:29:27AM	Zachary Rolfe	Lee Bauwens	Just sorting out paperwork now, going through it all now. They make it difficult and the quotes are taking some time. Nah just got told to prepare for potential flood relief stuff. Apparently a cyclones supposed to hit up near Borroloola in a few days	7397
107	20/03/2019 9:31:36AM	Lee Bauwens	Zachary Rolfe	Cool might get call out when I get back ha Yeah quotes are painful we'll knock it out later. Nearly a week in Geelong haven't seen one police car haha	7397
111	20/03/2019 12:13:44PM	Zachary Rolfe	Lee Bauwens	Just talked to vicary, got us 2000 operational rounds and gave her a heads up about the quote- she's happy with about \$40,000 which is wicked, can get us everything. So once I get the quotes complete (I need 3 quotes for the same shit) she'll put it through	7400
112	20/03/2019 12:15:51PM	Lee Bauwens	Zachary Rolfe	Good work. Didn't think we needed three quotes for tactical gear. We just choose what we want	7400
113	20/03/2019 12:16:52PM	Lee Bauwens	Zachary Rolfe	Either way will be good, this NZ thing may help us out for sure	7400
114	20/03/2019 12:18:54PM	Zachary Rolfe	Lee Bauwens	Yeah hell gay but I've got it sorted, 3 quotes for gear and for plates are on their way	7400

117	20/03/2019 5:36:11PM	Lee Bauwens	Zachary Rolfe	I see they sent people to Katherine , did they say where IRT May go	7401
118	20/03/2019 5:37:13PM	Zachary Rolfe	Lee Bauwens	They haven't confirmed anything yet at all. Vicary mentioned Borroloola as a potential place but not solid about it	7401

127	26/03/2019 7:29:09PM	Zachary Rolfe	[Family Member A]	Hey [Family Member A], hope you're good. Had a wicked day today, resting up and training hard. Eating healthy. Got some sweet progress with the kit order for work (TRG found out and initially tried to put a stop to it and now it looks like they're gonna try and buy the same stuff haha losers) And even learnt how to put in a request for the IRT team to be used so did one to arrest some guy who stabbed his missus so hopefully get that approved so can do some overtime to hunt him.	7668
128	28/03/2019 1:55:46AM	Sophie Campbell	Zachary Rolfe	Yo something is going on	6596

Yeah I think some pieces of shit moved into a house on Dixon closer to our houses just recently. At about 10pm last night s car full of drunk aboriginals rocked up in my driveway, they reckon their mate used to live here	6597
152	3/04/2019 6:42:02PM	Zachary Rolfe	R	You know what would be cool? To get high together right now	6821
158	4/04/2019 5:34:23AM	Zachary Rolfe	R	It's not bad at all haha I crave it too. I'm down in Canberra for a couple days got this medal thing on today. J [redacted] just had a random brownie sitting around his house yesterday he thought it would be pretty weak.. not weak haha Didn't taste anywhere near as nice as yours but got the job done, so chilled. Definitely better to get high with a partner though ;)	6822

Hey I dunno if you still follow that dumb Alice springs community forum but I got in the biggest pursuit the other night with this 40 year old ice dealer that took a machete to some junkie lady and they had some videos on the forum it was sick fun. It was loose and hecticly fun	6837

Dude I got in the most wild pursuit the other night I was chasing this 40 year old white ice dealer for like 3 days coz he took a machete to some woman. Then saw him driving round town it was like bad boys, we were driving wrong side of the road through red lights at like 130kmh haha was sick, then he tried to run and bashed him. Needless to say I'm being investigated for it hahahah but was fun	7209

241	3/05/2019 11:10:06AM	Zachary Rolfe	[Family Member A]	Hey [Family Member A], I'm sorry, I know its not fair me leaning on you so hard. I'm just in a rut, got no routine, no brotherhood and no challenge or hardship, don't even have spare time to go chase a girl or anything at the moment. Despite that I'm still eating right and working out, as much as I can't be bothered and getting sleep - still always tired though. I know it'll get better, it's just a moment in time and I'm being a pussy. I'm sure I work a lot harder then most people, just don't get why all that work has got me to the point where it's my job to look after Neanderthals who drink too much alcohol haha	7697

376	30/07/2019 7:21:11AM	Zachary Rolfe	22...017	We have this small team in Alice, IRT, immediate response team. We're not full time, just get called up from Gd's for high risk jobs, it's a sweet gig, just get to do cowboy stuff with no rules. You'd walk through trg selection in your sleep. And we got sykesy on IRT as soon as he got to Alice so if you got posted here same would happen	7924

467	22/09/2019 4:43:42PM	Paul Kirkby	Zachary Rolfe	I went to Nigel Bennett's yesterday for coffee and he was saying the same thing. Bush experience will trump everything else. Amazing. I get to read applications that guys have written when trying to get out of Alice and the shit they put in there. Imagine being in Alice Springs attending one job a day and spending the rest of the shift writing all about that job to the bosses. The next day you spend all day driving the cage to the workshop and then go shopping while the cage is fixed. When the cage is fixed you drive it back to the station and go home. Then due to that being picked above everyone else for any job you apply for!	6403

498	03/10/2019 10:56:36AM	[Family Member A]	Zachary Rolfe	<p>Hey darling, you know I am happy to listen to your worries and concerns always, no need to apologise at all. I'm not sure that I am the smartest person you know but I sure do have your back and will always have it!</p> <p>I do believe in trying to see the positives in things as you know, and I know you have tried to do that. The goal is to get out of the NT – how do you do that ? 2 ways: by getting into the TRG and then transfer; or, applying to another jurisdiction and starting at whatever level you have to.</p> <p>You then need to think about timing – it is probably worth giving yourself a timeframe of, say, 12 months to get into the TRG, then, if nothing has changed, looking at your options to apply elsewhere. You need to balance the time it might take to get to Darwin with starting again at a lower rank but potentially in a better location, with better lifestyle. You're fortunate that the money side of things shouldn't be a factor.</p> <p>I know you've looked at Victoria and the AFP but it is worth actually calling people to have a chat, there may be opportunities that aren't on the websites.</p> <p>I know it's frustrating and its going your head in – you are an amazing, generous, strong, smart, capable man, you have incredible heart. You need to believe in yourself, no matter what. If you are positive then people feel this radiating from you and this can help positive things to happen.</p> <p>I really believe good things are ahead for you, you need to identify your goals and do everything you can to achieve them, step by step, sometimes it will feel that you're hardly moving ahead but you will be edging ever so much closer everyday.</p> <p>This probably seems like a bit of waffle but I believe in you, you need to trust and believe in yourself, the struggle will be in maintaining your positivity but think how good it feels to be around someone who sees the good in things and the best in people. Try and be that person (you can whinge with me), see the positives, it will turn your thinking around.</p> <p>I love you darling, more than you will ever know. I will always have your back, I will cry with you, laugh with you and enjoy “judging” with you, [Family Member A] xxx</p>	7828

533	17/10/2019 9:33:13AM	Paul Kirkby	Zachary Rolfe	Well fuck me. I'm having to answer more questions about an incident over a year ago. Some turd claimed I knocked him off his push bike with 301 and then roughed him up. only person to get roughed up was me as I got dragged on my face as he was trying to run away. All seems well but they now have a hard-on over the fact I used 301 to try and block him in. They're now asking a fourth lot of questions. I think they pick someone and then just pick on them. Finding my breaking point maybe.	6406

Idiot is just replying to every question with, "that will be a matter for the coroner. Fucking clown. He should just say, "The body worn video will show the true story amd exonerate the pokice form any other option."</p> <p>As hard as it is to read the fuckhead comments, don't post anything. We know that the members will be fine but comments dont matter.</p> <p>The member has to answer his critics with IAMO +P.</p> <p>I= Intent... the shit cunt was telling them he was going to stab the police....</p> <p>A= ABILITY... He had the ability to do so because he both said it and was a ypung fit male who (looking at Rolfe) would have had size disparity.</p> <p>M= Means. He had an edged weapon and told the police he (more tham like said) was going kill them.</p> <p>O= OPPORTUNITY.</p> <p>The members let him get close enough to be afforded the opportunity to stab one of them and coupled with all of the above..... IAMO</p> <p>+P = PRECLUSION</p> <p>"I was precluded from all other options available to me, (being distance, time, cover, taser, baton, spray, etc) so I had no other option but to protect myself and those with me by shooting the offender to gain immediate subject control and incapacitation...</p> <p>That what I did (taught by some very experienced old members in 1994)</p> <p>Never forget it...
