REASONS

BACKGROUND

7. On 8 October 2024, two (2) applications were lodged by Mr Benjamin McIntyre on behalf of the Licensee for the premises Totem Theatre with the Director for additional liquor licence authorities and a variation to the trading days and hours for Liquor Licence number FLL1322.
8. This change will allow the Licensee's liquor licence to cover a wide range of shows that contain 'Adult Content' (including but not limited to shows like the scheduled Full Monty) which may be performed at the Totem Theatre from time to time without the need to obtain an additional licence.
9. Due to the short timeframe between when the licence variation applications were lodged and the date that the Full Monty show is scheduled to be performed, the Licensee requested the Director reduce the period for public advertising of the applications from 14 days to 7 days. On 9 October 2024, the Delegate of the Director abridged the time provided for an objection in section 61(6) of the Act from the prescribed period of 14 days to 7 days pursuant to section 318 of the Act.
10. The applications were advertised on 10 October 2024 in the NT News and on the Department of Tourism and Hospitality Website. A green sign was displayed at the premises. The Director is satisfied that the Licensee has complied with the requirements of public notice of the applications.
11. In accordance with section 56(4) of the Act the following stakeholders were notified of these applications:
 - The Chief Executive Officer of the Department of Health;
 - The Commissioner of Police;

- Alice Springs Town Council.
12. The NT Fire and Rescue Service was also notified of the applications.
 13. No adverse comments have been received from any of the stakeholders or the general public.

THE HEARING

14. The matter was referred to the Commission on 18 October 2024 and the Commission met to consider the referral on 24 October 2024.
15. The Commission was of the view that whilst, for a permanent alteration to the Applicant's licence, it would be more desirable to conduct a public hearing, given that the applications were publicly advertised (albeit for a reduced period), that there were no objections, the changes to the existing licence conditions were relatively minor and the short timeframe until the scheduled Full Monty show, in this case it would be appropriate to proceed without a public hearing.
16. This was agreed on the basis that liquor was already served at shows performed at the venue without incident and the changes to the licence conditions were relatively minor with the result that the matter is considered to be non controversial and therefore appropriate to be heard without a public hearing. Accordingly, pursuant to section 21 of the Act, the Commission determined to conduct the hearing by way of written submissions only.

ASSESSMENT OF THE APPLICATION

17. The Commission proceeded to consider the application and is satisfied, in accordance with section 49 of the Act, that:
 - (a) the applicant is a fit and proper person; and
 - (b) issuing the licence or authority is in the public interest; and
 - (c) the licence or authority will not have a significant adverse impact on the community.
18. Accordingly, the Commission has determined to grant the licence and authorities on the terms and conditions set out at the commencement of this Decision Notice.
19. The Commission did however, question the need for the licence to include both a community club authority together with a public bar authority and recommends that the Licensee work closely with the Director to streamline the licence conditions and authorities.
20. Further, the Commission reminds the Licensee that the conditions that attach to a public bar authority contain specific requirements for video surveillance and suggests that the Licensee clarify with the Director whether the current video system is adequate and complies with the *Code of Practice for CCTV Systems in Licensed Premises*.

NOTICE OF RIGHTS

21. Section 31(1) read with section 60(3) of the Act provide that the decision set out in this decision notice is reviewable by the Northern Territory Civil and Administrative Tribunal (**NTCAT**). Section 94(3) of the *NTCAT Act 2014* provides that an application for review of a reviewable decision must be lodged within 28 days of the date of the decision.
22. In accordance with section 31(2) of the Act, the persons who may apply to NTCAT for a review of the decision are the Licensee and Director.
