Reasons

Background

- 3. Pursuant to section 58 of the Act, on 23 July 2019 the Cyprus Community of the Northern Territory Inc. (**the applicant**) lodged an application for the grant of a special licence to permit the sale of liquor to patrons attending an event known as the 'Cyprus Wine Festival' at the Cyprus Community Hall. The applicant has indicated that no more than 500 people would attend the event at any one time.
- 4. The Festival is free family event that showcases famous Cypriot Commandria Wine and will include Mediterranean food, music and traditional dance.
- 5. The applicant is proposing to sell traditional Cypriot beer, wine, port and a range of spirits from one bar at the event. Soft drinks and water will also be available.
- 6. In relation to security and crowd control arrangements, the applicant indicates there will be sufficient crowd controllers present at the event to adhere to the industry standard for crowd control. Specifically, this is two licensed crowd controllers for the first one hundred patrons and one additional crowd controller for each one hundred patrons thereafter.
- 7. Special licences have been issued to the applicant on a number of previous occasions including for the same event in 2018. There is no record of any compliance issues in respect of previous licences issued to the applicant.

Consultation

- 8. The Department of Health, Northern Territory Police and Northern Territory Fire and Rescue Service were invited to provide comment on the application and no adverse comments were received.
- 9. The Department of Health requested the venue clearly displays signage to delineate the Non Smoking areas from the Smoking Areas and the applicant be reminded that food and drinks are not permitted to be taken into any identified outdoor smoking area and that the Tobacco Control legislation now requires a

10 metre smoke free buffer be maintained at the entry and boundary areas of community events.

Assessment of the Application

10. As previously noted, this is an application for a special licence under section 58 of the Act. That section is within Part VI of the Act. There are no specific criteria prescribed within the Act for consideration of an application for a special licence. Special licences exist under Part VI of the Act and are therefore not part of the definition of “licence” pursuant to section 4 of the Act, namely “a licence issued under Part III” of the Act.
11. As a result, it has previously been determined by this Commission that an application for a special licence is not a licence with respect to which I am bound to apply the public interest and community impact test as provided for under section 6 of the Act.
12. The Commission has previously noted however that pursuant to section 3(3) of the Act; it is clear that when “exercising a power or performing a function under (the Act) (the Commission) must have regard to the objects of (the Act) and must exercise the power and perform the function in a way that is consistent with those objects”.
13. Section 3 of the Act identifies the “Objects” as follows:
 - (1) The primary object of this Act is to regulate the sale, provision, promotion and consumption of liquor:
 - (a) so as to minimise the harm associated with the consumption of liquor; and
 - (b) in a way that takes into account the public interest in the sale, provision, promotion and consumption of liquor.
 - (2) The further objects of this Act are:
 - (a) to protect and enhance community amenity, social harmony and wellbeing through the responsible sale, provision, promotion and consumption of liquor;
 - (b) to regulate the sale of liquor in a way that contributes to the responsible development of the liquor and associated industries in the Territory; and
 - (c) to facilitate a diversity of licensed premises and associated services for the benefit of the community.”
11. As I have been delegated the authority to make this decision, I too am bound by these objects and they have been considered carefully by me when determining this application.
12. There is nothing before me that indicates any concerns with the applicant’s conduct of previous events or compliance concerns including the same event held last year. This event is a family orientated cultural event with traditional food available and entertainment.

13. It is as a result of the matters outlined above that I am, on balance, satisfied that the objects of the Act have been sufficiently addressed and for the reasons outlined above I have decided to grant the special licence on the conditions specified in paragraphs 1 and 2.

Notice of Rights:

14. Section 120ZA of the Act provides that a reviewable decision is a Commission decision that is specified in the Schedule to the Act. A decision to issue a special licence subject to condition pursuant to section 59 of the Act is specified in the Schedule and is a reviewable decision. I am exercising the power to make a Commission decision pursuant to the delegation made to me by the Commission.
15. Section 120ZC of the Act provides that a person affected by this decision may seek a review before the Northern Territory Civil and Administrative Tribunal. Any application for review of this decision must be lodged within 28 days of the date of this decision.
16. For the purpose of this decision, and in accordance with section 120ZB(1)(b) and (c) of the Act, the affected person is the applicant.
