Thank you for sharing the Notice of Proposed Variation. We appreciate the Commission's efforts to address community concerns and support initiatives that promote safety and responsible service of alcohol.

We would like to raise two considerations:

1. International Guests: As an accommodation facility hosting visitors from around the world, limiting service to mid-strength beer between 11:30 am and 3:00 pm may not reflect the hospitality experience expected in Alice Springs. We seek clarification on whether flexibility can be considered for guests staying in house with us at the property to be able to have a full strength alcohol between these times without a full meal.
2. In-Room Service: Could you please confirm if the proposed conditions apply to room service for our in-house guests? This is an important aspect of our operations and guest experience.

We fully support the intent of these measures and look forward to working collaboratively to achieve the desired community outcomes.

Many thanks

Kind Regards,

**Prabhat Pandey**
