06/11/2019 - Frost advises members Smith / Hand attended House 577 in Yuendumu in order to make arrest of warrant target:

Arnold WALKER
 DOB: 13/10/2000

Circumstances

At around 00:40hrs on 29 October 2019, WALKER removed his EMD at CAAPU in Alice Springs and absconded in breach of his suspended sentence. A warrant was issued on 5 November 2019.

At around 6:25pm, members SMITH / HAND attended House 577 in Yuendumu after receiving information that WALKER was at the location. At the house family members of WALKER indicated that he was in a bedroom at the Northern end of the house. The door to the bedroom was locked but was finally opened by the co-offender (WALKER's partner - Rekeisha ROBERTSON) after police knocked on the door several times. ROBERTSON stood at the doorway to the bedroom preventing members from entering the bedroom which was in complete darkness. ROBERTSON's actions gave WALKER time to retrieve a small axe that was concealed under some blankets that were on the floor.

WALKER then ran at member SMITH and then at member HAND holding an axe above his head threatening them with the axe. He then dropped the axe and escaped through the rear door with member HAND giving chase through the bushes. Member SMITH chased WALKER in the police car. WALKER threw rocks at the Police Vehicle 667, sustaining damage to the front driver's side door panel.

Both members were wearing BWV on at the time of the incident. Numerous witness inside the house had witnessed the incident. Statements to be obtained from witnesses in relation to the incident.
