1. For the reasons set out below and in accordance with section 48 of the *Liquor Act 2019* (**the Act**) the Commission has determined to issue a licence to Summer Junkies Pty Ltd (**the Applicant**). The Applicant will be issued a Major Event Authority attached to the licence authorising the sale, supply and service of liquor to patrons at the 'Icehouse Great Southern Land 2022' concert for consumption on or in the area known as the Darwin Amphitheatre located at George Brown Darwin Botanic Gardens in The Gardens, NT 0820 (**the Premises**) on:

Reasons

Background

- 6. On 14 March 2022, pursuant to section 52 of the Act, the Applicant applied to the Commission for a licence with a Major Event Authority to permit the sale of alcohol to patrons attending the 'Icehouse Great Southern Land 2022' concert on

Saturday 28 May 2022.

7. The Applicant is seeking to sell and supply liquor at the concert from 16:30 hours to 23:30 hours.
8. Well-known Australian band, Icehouse, is performing as well as special guest performers including Missy Higgins, Eskimo Joe, William Barton and Emily Wurramara.
9. The Applicant has advised that this concert will appeal to a wide demographic within Darwin and will also be an all ages' event; however, minors must be accompanied by a legal guardian or parent to attend.
10. All patrons attending the event will receive branded event wristbands upon entry to identify them as either over or under 18 years old. Patrons under 18 years must hold a ticket and be accompanied by a parent or guardian and remain in their care at all times. Alcohol will only be sold to patrons wearing the 18+ wristband issued upon entry.
11. The Applicant estimates a crowd of approximately 5,000 patrons will attend the concert and confirms that in accordance with regulation 68(2) sufficient crowd controllers will be present to adhere to the industry standards for crowd control. Specifically, two licensed crowd controllers for the first one hundred patrons and one additional crowd controller for each one hundred patrons thereafter.
12. The Applicant proposes the sale of alcoholic beverages (inclusive of light, mid and heavy alcohol content) including beer, spirits in a range of vodka, rum and scotch including ready to drink (RTDs) and cocktails. Cocktails and mixed drinks will have no more than 30ml spirits except RTDs.
13. The sale of liquor is proposed via two bars one on either side of the stage with crowd control barriers to minimise queuing requirements. Crowd controllers will be positioned at each bar.
14. All alcohol is to be consumed in aluminium cans, paper or plastic cups. There are to be no glass containers or wine by the bottle. Water and soft drinks will be available for purchase as well as the provision of complimentary water stations.
15. Food will be available to purchase from a number of food vendors throughout the event until closing.
16. First aid will be provided through St John Ambulance who will be in attendance for the duration of the event.
17. The Darwin Amphitheatre is a non-smoking venue. The Applicant has confirmed there will be visible 'No Smoking' signage throughout the Premises and a designated smoking area will be located just outside the Amphitheatre perimeter but within the fenced event complex forming part of the Premises.

18. The proposed nominee for the event is Mr Guy Dunne.
19. In terms of the application before the Commission, it is noted that the Applicant provided the following documents in accordance with section 53(3) of the Act:
 - a. Application for a liquor licence;
 - b. Site plans;
 - c. Public Interest and Community Impact Assessment;
 - d. Probity documents and reports, certificates, references, affidavits and statutory declarations relevant to the application in respect to the Nominees and Applicant and to the satisfaction of the Director of Liquor Licensing (**the Director**);
 - e. An affidavit of Guy Dunne, the Nominee, in accordance with the Act regarding influential persons;
 - f. Event Management Plan;
 - g. Smoking Management Plan; and
 - h. Traffic Management Plan (**TMP**).
5. It is noted that the Applicant will be required to comply with any CHO Direction that may apply at the time the event takes place pursuant to section 92 of the Act.

The Applicant and Nominee

6. The Applicant is a registered Australian Proprietary Company limited by shares. There are two shares. These are held by Guy Dunne and Tamara Tasha Nichole Baird. Both hold positions of Director and Secretary within this Company. Both parties have been declared within the Affidavit as interested and beneficial financial parties for this application.
7. The proposed nominee for the event is Mr Guy Dunne who is known to the Director. Mr Dunne has previously been nominee for similar major events and is involved in the licenses attaching to the Beachfront Hotel and Humpty Doo Tavern.

Advertising and Objections

8. The application was advertised on the Director's applications website and also published in the NT News on Saturday, 19 March 2022. A green sign was also erected at the site informing the public of the application.
9. No objections were received to the application.

Consultation

10. Pursuant to section 56(4) of the Act, the following stakeholders were notified of the application by the Director:

- a. the Department of Health (**DoH**);
 - b. the Commissioner of Police (**NT Police**); and
 - c. Darwin City Council (**Council**).
11. Although not legally bound to do so, the Commission notes that the Director also forwarded a copy of the application for comments to:
 - a. Northern Territory Fire and Rescue Service (**NTFRS**); and
 - b. St John Ambulance (**St John**).
12. With respect to this application:
 - a. DoH advised that they have no concerns with the application;
 - b. NT Police advised that they supported the application;
 - c. Council supported the application and advised that the Darwin Entertainment Centre now manages the Darwin Amphitheatre who is responsible for approval of event applications at this site;
 - d. NTFRS supported the application on the proviso that the outdoor special event requirements are adhered to and NTFRS members will inspect prior to the event. The Applicant was provided with a copy of the 'Special Event Requirements (Outdoors)'; and
 - e. St John confirmed that they would be in attendance at the event.

Hearing

13. Given that no objections were received and this is an application for a major event for this year only, there appears no reason why this application should be referred to a hearing under section 21 of the Act. Accordingly, I have proceeded pursuant to my delegation to deal with such application.

Assessment of the Application

14. Although no objections were made to this application, section 49 of the Act makes clear that the Commission may only issue a licence or an authority if satisfied that:
 - a. the Applicant is a fit and proper person;
 - b. issuing the licence or authority is in the public interest; and
 - c. the licence or authority will not have a significant adverse impact on the community.
15. The Commission has had regard to the relevant considerations listed in section 59(3) of the Act as to the suitability of the Applicant to hold this licence and the Premises to be licensed.

16. The Applicant has held licenses for similar events over the past few years and no compliance issues have been raised with the Commission by either the Director or NT Police. The proposed nominees, Mr Dunne, is well known to and well respected by Licensing NT, as he has been involved as a licensee and/or nominee of licensed premises over a number of years in the Northern Territory. The Commission is satisfied that the Applicant and Mr Dunne are fit and proper persons to hold the licence.
17. The Premises is a substantial outdoor area that has hosted hundreds of concerts in Darwin over many years. The site plan is similar to many of the events held and run at the Premises showing that the area is equipped with a large toilet block, merchandise and food stalls, water stations, first aid station and designated smoking areas. The Premises has a perimeter fence and entry will only be permitted from one access point. The Commission assesses the Premises as suitable for the supply and consumption of liquor in the manner set out in the application.
18. The drawcard to this event is live music by the iconic Australian band, Icehouse, along with a number of other popular musical artists and will no doubt be a welcomed event to the Territory's live music calendar for both locals and visitors alike.
19. Although the Applicant in its application did not propose a staggered decline of the sale of alcoholic drinks to any one person at one time during this event, it is my view that such a condition should be included in the licence in line with other major events similar in nature. I have included a condition accordingly as set out in paragraph 3(b) above.
20. Having regard to the foregoing, the Commission has had regard to the public interest requirements of section 49 of the Act and is satisfied that issuing the licence with a major event authority is in the public interest and will not have a significant adverse impact on the community.
21. As a result, the Commission intends to issue the licence with a major event authority as set out at the commencement of this Decision Notice.

Notice of Rights

22. Section 60(3) of the 2019 Act requires the Commission to give a decision notice to the Applicant after making a decision under section 60(1).
23. Section 31 of the Act provides that any decision of the Commission for which a decision notice is required is reviewable by the Northern Territory Civil and Administrative Tribunal (NTCAT) and the following persons may apply to NTCAT for a review:
 - a. in all cases - the Director;
 - b. in the case of a decision regarding an application - the applicant; and

- c. in the case of a submission, complaint or objection that was the subject of a decision - the person who made the submission, complaint or objection.

24. In accordance with the substance of section 31 of the Act any application for review of this decision must be lodged within 28 days of the date of this decision.
