

**IN THE CORONER'S COURT OF
THE NORTHERN TERRITORY
AT ALICE SPRINGS**

No. A0051/2019

**IN THE MATTER OF: THE INQUEST INTO THE DEATH OF KUMANJAYI
WALKER**

**SUBMISSIONS ON BEHALF OF THE PARUMPURRU COMMITTEE OF
YUENDUMU COMMUNITY**

1. We refer to the submission on behalf of Mr Rolfe dated 15 February 2024.
2. In so far as they seek in various ways for Mr Rolfe to be treated fairly, and not questioned in an oppressive manner, such is a given. In so far as they seek lists of questions in advance, we note that would be an exceedingly rare course for an adult witness, in no way justified by the submissions filed. In so far as they list multiple avenues of inquiry going to important issues, asking that Mr Rolfe should not be questioned or pressed on those, objections to questions should be made and ruled upon in the usual way.
3. We respectfully adopt the 19 February 2024 submissions of Counsel Assisting, and the submissions of the Brown family and the Walker, Lane Robertson families, all previously circulated.

DATED: 20 February 2024
