RUNNERS UP

Burner

Nooguda Runner Up/Outstanding lack of excellence

On the job at Litchfield Court Nightcliff, after 3 hours in full kit having worked up a bit of a sweat, Burner refused to have a shower and went home and climbed into bed with the missus in the same state. Couldn't understand why she gave him the knock back when he got all amorous.

Burner

Ayrton Runner up/Outstanding lack of excellence

Too lazy to get out of the brand new \$60,000 dollar land cruiser to open a gate. Did the old blackfella method of hitting the gate with the bullbar. Was stunned and amazed when gate sprung open and came back and hit the side of the cruiser on the way through, putting a massive dent in the front left mud guard. Needless to say the OIC was not amused.

SPECIAL AWARD

██████████ "Righto Cunts Listen Up" R██████████

While TRS members were deployed to Pt Keats for the NOT so riotous noogahdas, On the last night R██████████ decided the right thing to do was put on a BBQ for the interstate Themis coppers (he was trying to WOW Paris). And his beloved TRS boys

Anyway Firstly he asked M██████████'s team if they bought out some meat which we did,

Then asked if we had a BBQ to cook it on which we did(we used the stations)

Then he asked if we had some bread Which we did

Then he asked for one of the boys to cook it for him, Which we did

Then someone asked for some to get some sauce, Which they did

Then some one asked R██████████ if he had any salad, Which he didn't, he had to ask what salad was!

Then He got P██████████ to clean the mess up in the morning Which she did.....

Anyway to cut to the chase, if R██████████ ever asks you to come round for a BBQ remember to bring the meat, bread, salad, BBQ to cook on, chairs, sauce and DONT to forget to bring your friends, coz R██████████ is just a black fella and we don't hang with coons.....

WINNERS

J [REDACTED]

NOOGADAH WINNER

Had a huge night on the drink in town on the 14/09/07 and ended up as pissed as a rat. Was picked up asleep in the gutter in Stuart Park by Two ACPO's who subsequently placed him in the rear cage for Protective Custody. Managed to talk his way out of a night at the Sobering up Shelter when he told them he only lived 150 metres away.
