16.	8/02/2019 7:49:16 AM	Simon Gillette	Zachary Rolfe	When violence soothes your soul rather than a huglol boom	6539

21.	7/02/2019 6:17:33 PM	Zachary Rolfe	R [REDACTED]	I think I'm rundown and burnt out from work bullshit atm. I'm feeling real sad and sorry for myself right now haha. I'm havin a weak head moment, letting the losers get me down, even got jealous about the new hot gym dude haha.. I'm a loser now. I'm gonna lay down and recharge...'fuck X	6711
24.	8/02/2019 8:52:12 AM	Zachary Rolfe	Lee Bauwens	Hey brother sorry I've been slack lately. I'm burnt out as fuck. Got three days off from tomorrow. After that I'll be recharged ready for anything	7394

50.	15/02/2019 1:40:08PM	Zachary Rolfe	R [REDACTED]	Hey just got the email literally just then.. didn't get the position, such a joke. Out of the myself and the last 3 people to get TRG positions(since I've been qualified) I'm the only one that passed selection with enough points to be "encouraged to apply" they all just passed so got "eligible to apply" yet I haven't got the position. Fuckinfuck haha	6751
51.	17/02/2019 7:57:05AM	Zachary Rolfe	76...984	Bro, no love for me from TRG	7981
56.	27/02/2019 3:01:30PM	Zachary Rolfe	12...772	Just searching for a dude who stole a Ute with a loaded rifle in it man... still looking. Big desert out here to hide in but. Still fun tho ey. What you up to? Lovin life?	7956
58.	27/02/2019 8:02:38 PM	Zachary Rolfe	Mark Sykes	Hurry up and come down bro. I literally do whatever I want, even just started wearing a T-shirt to work	10141
65.	28/02/2019 12:00:25AM	Zachary Rolfe	12...772	Yeah fuck, how's the knee coming? I'm in a semi tac team down in Alice, coz TRG is too far away to be of any use. But I've passed trg selection just waiting for a spot to open up ey. So I just do general duties and whenever something "high risk" is on just do our own thing	7956
69.	28/02/2019 3:14:53AM	Zachary Rolfe	12...772	Oh yeah I thought you were in qld for some reason. Fuck I'm jealous, Perth is sick. Alice springs sucks haha The good thing is it's like the Wild West and fuck all rules in the job really... but it's a shit hole. Good to start here coz of the volume of work but will be good to leave	7967

71.	28/02/2019 3:19:24AM	Zachary Rolfe	12...772	Yeah that's the plan hey,I get all antsy to leave but really there's no rush, it'll happen eventually. Sykes will finish his cop school in Darwin soon and hopefully come down and hopefully carter gets into cop school in October. Then we can all one day be friends again haha it'd be so sick to all work together over in Perth	7967
72.	28/02/2019 3:21:42AM	12...772	Zachary Rolfe	Mate everyone's gonna be a cop haha. Fuck yeah Sykes will kill it. Yeah dude may aswell get some cowboy shit done there before coming to a city	7967
74.	28/02/2019 8:25:48 AM	Zachary Rolfe	Mark Sykes	Nah not yet, looks like he went to a community. Laying low. Would have been sick to grab him, we were in a mad pursuit with him out bush but the superintendent terminated it coz he was "inside our cordon"..... in the middle of nowhere. She's an idiot	10140
79.	1/03/2019 10:52:09AM	Zachary Rolfe	R [REDACTED]	That's mad :) Yeah fair enough hey, guess you'll actually have to study now hey? I have no clue about uni as I've said, I feel like if you want to do well you gotta put a load of effort in. I know I would haha. My weeks been good, when we get high risk jobs I get to really do my own thing, got the chopper ride and took the superintendents car out coz it's not a marked police car and got in the maddest pursuit through the desert with it... it's not built for it the poor car it'll never be the same but I had a mad time haha. I'm on days off now, poor simmo got spat in his face again so he's hell off it. He finished up this morning I'll hang out with him a bit this weekend and catch up with the crew for a Sunday bbq somewhere which will be real good.	6796

80.	1/03/2019 6:38:13PM	Zachary Rolfe	██████████	Hey █████ I'm good right? And strong? And sometimes kind? I need some wisdom. Feel like instead of knowing everything's gonna be sweet I'm waiting for the next shitty thing to happen, which is fine I know coz everything takes time but I feel like i put more effort in then most to get to where I feel I deserve but I get shat on a bit more. I just don't want all this shit to build up until I do something dumb, full why I don't go out to the pubs here coz I know if some scum pushes me I'll go too far and get in trouble	7645

90.	9/03/2019 4:41:34PM	Zachary Rolfe	D [REDACTED] C [REDACTED]	Hey all sweet down there? The losers up here are being nice to each other while we're around. I'm hot spotting off my police iPad so will have reception a fair bit.	7616
91.	9/03/2019 5:09:49PM	Zachary Rolfe	R [REDACTED]	Cool book, if you ever get a free minute. Maybe in a couple years haha. I knocked off at 1am this morning and was back at work at 7am to get on a plane to Borrooloola, they're rioting again. Just having a quick coffee before it gets dark and everyone starts playing. Will be out here until at least Wednesday but it's pretty much just a trip with the boys so it's good, my boss and I and some trg boys. Anyway.. hey :) Attachments: 	
92.	9/03/2019 2:16:35PM	Zachary Rolfe	[REDACTED]	...Out Borrooloola now, nothing really going on. Just hanging out for a few days earning heaps of money	7653

				...	
93.	10/03/2019 1:18:05PM	Zachary Rolfe	██████████	It's actually good up here, this is the community we smashed last time we came up so they're behaving nicely now that we're here. So big sleeps, lots of money and also got time to workout and read so I'm happy. reading that book, gonna start eating breakfast again. Try it out, looks like the physiological stress I'm putting on my body by fasting(which can be good) is a bit too much at the moment with the bad sleep pattern, making me a sook. So will eat breaky, and gonna try to get some Seratonin vitamins from somewhere when I'm back in Alice x	7654
94.	10/03/2019 12:48:00PM	Zachary Rolfe	E ██████ F ██████	I'm out at Borroloola (a random community on the coast) coz they're rioting, but we came up last time they did this and smashed the whole community so this time as soon as we arrived they started behaving. Which is cool so I'm just getting heaps of sleep and reading and working out haha. Back to Alice on Wednesday. Yeah missed out on Darwin again, I'm just getting done over in the paperwork side of applications but that's all good, next time	6674
95.	10/03/2019 7:00:34PM	Zachary Rolfe	D ██████ C ██████	Yeah too hot for the poor dags. Yeah sick plan, devo I miss them. We smashed this town last time so they're all behaving so I'm just getting some mad RnR haha	7618
111.	20/03/2019 12:13:44 PM	Zachary Rolfe	Lee Bauwens	Just talked to vicary, got us 2000 operational rounds and gave her a heads up about the quote- she's happy with about \$40,000 which is wicked, can get us everything. So once I get the quotes complete (I need 3 quotes for the same shit) she'll put it through	7400

172.	9/04/2019 8:45:24 PM	Sophie Campbell	Zachary Rolfe	I'm so sick of aboriginals tonight fuckkkkkkk	6616
173.	9/04/2019 8:45:50 PM	Zachary Rolfe	Sophie Campbell	They being losers?	6616
174.	9/04/2019 8:48:29PM	Sophie Campbell	Zachary Rolfe	Just had a chick lying the whole time 'I don't know him' then her kid has the same last name 'oh no relation' and then fucking look her up and they're husband and wife. So we laid into her and she stuck to it	6616
175.	9/04/2019 8:48:44PM	Sophie Campbell	Zachary Rolfe and I may have been super hangry.....	6616
176.	9/04/2019 8:49:14 PM	Zachary Rolfe	Sophie Campbell	Hate that. Oi if you're hungry you're definitely allowed to towel locals up	6617
177.	9/04/2019 8:49:42 PM	Sophie Campbell	Zachary Rolfe	If your last name rhymes with olfe you're allowed to towel up locals	6617

187.	20/04/2019 6:44:21 PM	Dave Munro	Zachary Rolfe	Hey mate. Just a heads up. Old mate was complaining about being chucked down the hill and said he was going to tell his lawyer. Had some knee pain. Didn't want to speak with us about it. Hurts letting you know .	6421
188.	20/04/2019 6:47:08 PM	Zachary Rolfe	Dave Munro	Thanks brother, expected it	6422
209.	27/04/2019 9:23:49AM	Mark Sykes	Zachary Rolfe	Heard you had a rough arvo yesty, grubby fucks. Are you running issued duty belt etc. Do you run a comforta	10083

More treatment?</p> <p>Dude I got in the most wild pursuit the other night I was chasing this 40 year old white ice dealer for like 3 days coz he took a machete to some woman. Then saw him driving round town it was like bad boys, we were driving wrong side of the road through red lights at like 130kmh haha was sick, then he tried to run and bashed him.</p> <p>Needless to say I'm being investigated for it hahahah but was fun</p>	7209
241.	3/05/2019 11:10:06AM	Zachary Rolfe	■■■■■■■■■■	<p>Hey ■■■, I'm sorry, I know its not fair me leaning on you so hard.</p> <p>I'm just in a rut, got no routine, no brotherhood and no challenge or hardship, don't even have spare time to go chase a girl or anything at the moment.</p> <p>Despite that I'm still eating right and working out, as much as I can't be bothered and getting sleep - still always tired though.</p> <p>I know it'll get better, it's just a moment in time and I'm being a pussy.</p> <p>I'm sure I work a lot harder then most people, just don't get why all that work has got me to the point where it's my job to look after Neanderthals who drink too much alcohol haha</p>	7697
242.	4/05/2019 4:06:23 PM	Zachary Rolfe	■■■■■■■■■■	<p>Hey ■■■ can you please share Ben Roberts Smith's number to me pleease</p>	7699

249.	5/05/2019 7:49:57 PM	Zachary Rolfe	Ben Roberts-Smith	Hey brother it's Zach, I think mum might have worded you up, I lost your number when I updated my phone. I'm at work at the moment but was gonna see if you were free sometime for a chat about some work. 251.	5/05/2019 8:00:35 PM	Zachary Rolfe	Ben Roberts-Smith	That'd be wicked, I know it sounds dumb to some people but you'd get it, I just want some dangerous shit (whilst being professional..) TRG will happen at some point, I've already passed just waiting for a spot but they're about to run a new course and they're gonna pump a few girls through so with the new diverse world those girls will take priority over me so I've got time to do other stuff	7174
252.	5/05/2019 8:04:00 PM	Ben Roberts-Smith	Zachary Rolfe	All good mate. Let's chat next week about it but I can give you some insight...	7175

				 <p>5:16</p> <p>to you 25m</p> <p>Ryder_09052019_2 1801980.doc</p> <p>Provision</p> <p>In examination-in-chief, Durais, after watching the body-worn video admitted it was Rebecca Hayes and not Malcolm Ryder who had her arms raised holding a phone. Although Durais mentioned that Ryder was holding the phone. In cross-examination, Durais agreed that Ryder did not have a phone at her and that in deploying the OC spray he was acting in a pre-emptive manner.</p> <p>I find that this was probably the result of being warned by Constable Bonney that a family was entering the house and that police should protect their backs. Durais also agreed in cross-examination that he saw no purchase taken and no mobile phone thrown in the bedroom.</p> <p>Constable Rolfe stated in his statutory declaration:</p> <p>I then observed Ryder and a female enter the bedroom aggressively. Ryder had a phone in his right hand and I observed him raise both hands in a fighting stance and throw a number of punches at Durais. I then observed Durais raise his MK9 OC spray and spray Ryder with it in an attempt to gain control. Concurrently, Durais was using verbal commands to tell Ryder to stop to comply with police directions. The spray seemed to have no effect on Ryder and he continued to attempt to strike Durais.</p> <p>In examination-in-chief Rolfe elaborated: "When Ryder walked in, he was throwing punches. They weren't hitting Durais. He was moving towards Durais and throwing his arms, swinging his fists." In cross-examination Rolfe agreed that as soon as the OC spray was deployed, Hayes and Ryder left the room, but said "Ryder did not appear to have been affected by the spray."</p> <p>Constable Zendei in her statutory declaration stated:</p> <p>At the same time as the arrests I observed, Malcolm Ryder and the woman, shouted through the door in a highly aggressive manner. I observed Ryder attempting to assault police by throwing a number of punches and then I saw Durais raise and deploy his MK9 OC spray and spray Ryder to deter him from further assaulting police.</p> <p>The spray did not seem to affect Ryder. At some stage I observed Ryder punch Rolfe in the face. I then observed Lerrain and Rolfe push Ryder out of the room.</p> <p>In examination-in-chief, Constable Zendei said she could see Ryder's clenched fist, even though she was at the back of the room with Poulson and Lerrain. Rolfe and Durais were between her and Ryder. She also conceded it was not Ryder who punched Rolfe, but rather, Rebecca Hayes punched Rolfe in the room. She agreed Ryder left the room first, followed by Hayes who was pushed out by Rolfe.</p> <p>As a matter of credit she also gave evidence that Poulson, whilst lying face down was saying to the police, "Fuck you. Fuck you," while being handcuffed and that she delivered two punches to his elbows because he was resisting. The body-worn video or the clothing of Constable Durais does not support his allegation that Poulson was swearing.</p> <p>Rebecca Hayes' evidence regarding the room was as follows:</p> <p>Malcolm Ryder punched me in the face at the office and then he punched me in the face at the house.</p> <p>Send message</p>

I was looking at putting a vortex red dot sight on it and an olight pl2 Valkyrie (not too fussed on the light, that just looks pretty good and not too pricey). Can't find a holster over here that'll sort that out. Are you aware of any that will work? Thanks heaps man</p>	7930

480.	25/09/2019 1:10:22 AM	Zachary Rolfe	[REDACTED]	The main chase body worn is mine... haha treated him to the old illegal shoulder charge. Because I wear body armour I'm not as rapid as the locals initially but they still can't outrun me. Turns out the dude wasn't who we were looking for and is now in a sling for nothing haha don't run from police	7533
481.	25/09/2019 4:14:10 AM	[REDACTED]	Zachary Rolfe	Wow, that is incredible running darling! He must have been guilty of something if he ran!	7533
482.	25/09/2019 6:02:04 AM	[REDACTED]	Zachary Rolfe	Hi Zach, I actually prefer your partners video, as it shows you cuffing the suspect and shows how much quicker you were. Have a great time with R [REDACTED] on Thursday and see you soon. Love [REDACTED]	7534

483.	26/09/2019 2:58:36 PM	Jimmy Kirstenfeldt	Zachary Rolfe	Hey bud missed your call. What's up	7281
484.	26/09/2019 2:59:19 PM	Zachary Rolfe	Jimmy Kirstenfeldt	Nothing brother was just wondering if there was an RBT last night I was on the beers, got on to Mitch. How was yesterday? Saw the crime scene and hospital guard texts	7281
496.	3/10/2019 10:34:21 AM	Zachary Rolfe	██████████	Hey █████, sorry to bother you. Do you know what I have to do to sort my shit out? Just asking for advice, I'm willing to keep showing up and do whatever I gotta do, and I'll even do it with a more positive attitude if I just knew what to do. Coz sitting and waiting to get to trg and then waiting to get across to a real state is obviously kinda hard for me. I know I got a lot of excuses like I'm not just gonna transfer and start again and that. So I suppose it is just a waiting game. I just don't feel like I'll be able to be positive while I wait.. I just don't want to keep bringing you down with my bullshit, I want to be stoked and positive, but the desert and this dead end gig down here is really taking away my energy	7827
499.	3/10/2019 11:03:54 AM	Zachary Rolfe	██████████	Thank you █████. I know. There's just nothing I can actually DO to help myself. And people say good things take time but that's not true, everyone who did selection with me that I beat is already in trg, people who have done selection after me are in now. That's just a slack saying. Plus I don't see any positives in Alice, you guys have seen this place, Emma Roberts Smith's saw what it's like, it's a shit hole, there's nothing good here. I dunno, I'm over it. I'm gonna work out and head to work. I'm all out of caring haha	7828
507.	9/10/2019 12:48:13 PM	Zachary Rolfe	██████████	I'm only gonna tell mark I'm Taking these things just in case something happens and someone should know if I'm takin anything. IE failing a drug test or something x	7836

512.	13/10/2019 9:20:11 PM	E █ Paramedic	Zachary Rolfe	Oi you should have come, your best mate Crotty is here	7080

515.	14/10/2019 10:52:44 AM	Zachary Rolfe	E █ Paramedic	... Yeah you guys start nights so early. Who will you be working with tonight? I've had some busy shifts lately, mashed some dudes face against a wall and that talkative G █ paramedic came and quickly got on board that we were treating him extra nice so he didn't make a complaint	7080
518.	14/10/2019 7:05:34 PM	C █ V █	Zachary Rolfe	Thanks for a chat and hand this arvo brother really appreciate it, just spoke with Byzza and he will ask all questions at the college tomorrow, and as for the fitness test he said it's not even worth mentioning it's like 6.5 on the peep etc	6460

521.	14/10/2019 7:50:56 PM	Zachary Rolfe	C █ V █	Nah I feel exactly the same man, cut from the same cloth. I've only talked to you and sykesy about my head, but even he doesn't get violent like us. But you're not mad, we're just different then then normal folk	6460

533.	17/10/2019 9:33:13AM	Paul Kirkby	Zachary Rolfe	Well fuck me. I'm having to answer more questions about an incident over a year ago. Some turd claimed I knocked him off his push bike with 301 and then roughed him up. only person to get roughed up was me as I got dragged on my face as he was trying to run away. All seems well but they now have a hard-on over the fact I used 301 to try and block him in. They're now asking a fourth lot of questions. I think they pick someone and then just pick on them. Finding my breaking point maybe.	6406
534.	17/10/2019 9:34:57 AM	Zachary Rolfe	Paul Kirkby	Over a year ago?? Fuck they're gay cunts. Yeah they just find a name and go for you ey over and over. Fuck em, just let them waste time and then if they ever have enough evidence just stress leave until they let it go.. seems what everyone else does	6406
547.	7/11/2019 3:37:04PM	Paddy McCormack	Zachary Rolfe	I'm sorry I fucking watched that..fuck me...	9940

550.	7/11/2019 4:43:29PM	Zachary Rolfe	Paddy McCormack	I know ey.. fuck my whole Life	9940
